3. National Representation

Each European Federation is allowed to nominate one national team in the following categories: Women, Men, U21 Men and U21 Women.

Each category of competition will count towards the overall points total if at least 5 nations are taking part.

“B”-teams and non ECA – affiliated Teams are allowed to enter – their results will not count towards the overall total for a nation.

A European Cup can still be played with less nations taking part however their points will not count to the overall total.

Entry forms must be returned by the closing date with the appropriate entry fee for the teams who will represent their federation.
